Business Arising From Minutes/Principals Report:

- Pizza, cheesecake and chocolate were served as an alternative to Christmas Dinner. It was enjoyed by both the students and staff, and was well received
- Christmas concert was videotaped individually by the music teacher for each class, and a collaboration video was sent out by Nicki E via Google Drive for parents to enjoy
- Money was distributed to each class for Christmas crafts as discussed at the last meeting

New Business:

- Sweaters for Grade 6 students need to be submitted by April. This year there are 12 Grade 6 students. Cost last year for sweaters, for approximately 7 students, was \$183.84, so we can expect the expense to be approximately double this.
- Wanda has a wish list for the kitchen and would like to purchase some new supplies and equipment. Nicky S proposed we give Wanda a budget of \$200 to purchase new supplies. It was unanimously voted Yes.
 - 2 large cabinets were purchased for storage purchases for Wanda, as well as new carts for moving lunches to the classrooms with more ease.
- Home & School currently has \$1405 in the account
- Finances will be moving electronically in the near future, and Krista will be able to do transactions online.
- In the past, Staff have had meals and snacks ordered for various PD days and meetings. There are now audits being conducted, and it has been directed that the money be spent on the students only and not on purchases for the staff anymore.
- Nicki E received communication from Nourish Your Roots and they are planning for 2021. This fundraiser will be open to schools, but may look differently than in the past.
