Review/Approval of Minutes: No official Minutes were created. Overall summary was read.

Business Arising From Minutes:

Nicki E. filled us in on the Nourish Your Roots fundraiser situation. Even though ordering could be done online this year, with the ability to pick up the boxes outside the school, overall fundraising isn't permitted at this time. Therefore, we are not participating, this year, as previously planned. That said, if we need to fundraise for a particular item/cause, we may be permitted to fundraise; but with strict guidelines, pending approval.

New Business:

- Nicky S. wondered if we would be able to assist Allie (Pre-Primary ECE) with purchasing a reading couch for her classroom. Allie could get funding for one (if approved), but would have to pre-pay and then get reimbursed (possibly up to two months later). With the potential high cost of the couch, Nicky S. suggested paying upfront for Allie, and then getting reimbursed when the funds come in. Nicki E. is going to look into this - How could this work in terms of payment options? What would the cost be? Will a couch be permitted in the classroom at this time? She will update us at the next meeting.
- Nicki E. is looking into possibly purchasing individual water bottles for each student in our school, so that everyone has one. This would purchase would take place via a promoting health grant.
- Still seeking a secretary for this committee.
