PRINCIPAL'S MESSAGE

It's hard to believe the month of March is here! February was busy and included lots of learning around African Heritage month, using open number lines to continue building understanding in mathematics, and working on sounds and decoding words in literacy. Students enjoyed a special presentation by Mad Science, as well as the pancake lunch that was prepared by our wonderful volunteers; Sheila, Kanchana, and Joslyn.

March will bring continued outdoor activities in Phys. Ed, so please ensure your child comes prepared for outdoor play.

Report cards will be sent electronically on March 28th. If you would like a paper copy, please let the office know. Parent teacher will be held the evening of March 30th and the morning of March 31st.

Please reach out with any questions!

Millie Robinson

TRUTHFULNESS

The virtue during the month of March we will be focusing on at CDS is truthfulness. This means being honest in your words and actions, and not telling lies; even to defend yourself.
