(Grades P-3)

April 26- Lyam's Birthday

Technology Intramurals
(Grades 4-6)

April 27- Running Club starts

April 28- Grady's Birthday

Principal's Message

What a fantastic month of March here at CDS! Winter Carnival was loads of fun with great participation in our theme days, and the Maritime Marionettes were enjoyed by all!

Report Cards have been distributed and parents/guardians have had an opportunity to connect with the teachers. There has been lots of hard work happening from both students and staff!

Students have continued to have lots of opportunities to try **culturally diverse foods** such as cherry plums, yellow nectarines, guacamole, golden kiwi and eggplant just to name a few. In addition to this; students have been learning about the 7 continents of the world on announcements each morning. We were fortunate to have 2 students visit another continent and share a bit of their experience with us.

We are looking forward to "**Technology Intramurals**" beginning this Wednesday. A notice and permission form will be sent home about this, and I will have reminders in the weekly email update about this for you.

After school **Running Club** will also be starting April 27. This will be open to all students in grades primary to six. More information will be provided.

It is certainly hard to believe we are on the downhill roll of the school year. As temperatures begin to rise, our playground becomes a bit more mucky. [Sending your child with a change of clothes in their backpacks](#) is helpful (pants, socks, underwear and shirt). I also remind you to check backpacks daily for wet clothes and replenish the dry things.

Thank you for your continued support. As always, I welcome open communication. Please know you can always reach out!
